| AG330-26 | Art Wire 2.6m x 1.2m |
| AG331-10 | Art Wire 1.0m x 1.6m |
| AG331-16 | Art Wire 1.6m x 1.6m |
| AG331-26 | Art Wire 2.6m x 1.6m |

AG 300
65kg

AG 301
30kg

It is possible to hang several frames on the same wire as long as the total load on each wire is less than the breaking load of the wire divided by required safety factor.

The minimal breaking load of the wires are:
122kg for 1.2mm wire
217kg for 1.6mm wire
