Snap Shackles

2 0 2 0

hamma[®] is a global brand you can trust for quality, performance and support.

Our commitment to the weekend racer and the long-term cruiser is reflected in our attention to detail.

Our new Snap Shackles meet the high load required of today's high-tech evolving synthetics.

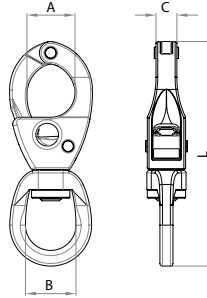

- Designed to outperform the competition and work under extreme load.
- Made from high strength high corrosion resistant grade 17-4 Stainless Steel.
- Fully supported locking pin with full hook engagement to ensure positive hold.
- Swivel head eyes allow self-alignment under load.

Snap Shackles

hamma® Spike Shackle (Small or Large Bale)

HM901

HM - CODE	SIZE M	A (MM)	B (MM)	C (MM)	L (MM)	MBL (KGF)
HM-901-01S	1	14	14.0	8	64.5	2,000
HM-901-02S	2	22	20.0	11	99.5	3,600
HM-901-03S	3	28	25.4	12	117.0	5,650
HM-901-01L	1	14	14.0	8	69.0	2,000
HM-901-02L	2	22	25.0	11	107.5	3,600
HM-901-03L	3	28	28.0	12	129.0	5,650

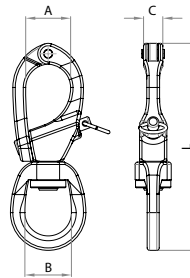

TECHNICAL DATA

Casting material: 17-4PH
Surface treatment: "E.P." (Electro polished)

hamma® Top Open Snap Shackle (Small or Large Bale)

HM902

HM - CODE	SIZE M	A (MM)	B (MM)	C (MM)	L (MM)	MBL (KGF)
HM-902-01S	1	17.5	14.0	8.0	72.0	2,200
HM-902-02S	2	23.0	20.0	10.0	99.5	4,100
HM-902-03S	3	28.0	25.4	12.0	117.0	6,100
HM-902-01L	1	17.5	14.0	8.0	72.0	2,200
